

## REMARKS

Careful consideration has been given by the applicant to the Examiner's comments and rejection of the claims, as set forth in the outstanding Office Action, and favorable reconsideration of the application, as amended, is respectfully requested.

Applicant notes the Examiner's objections to the Abstract of the Disclosure and appropriate amendments have been implemented in response thereto so as to place the terminology into conformance with the Examiner's requirements.

Furthermore, applicant notes the rejection of Claims 1-55 under 35 U.S.C. §112, second paragraph, for being indefinite, as detailed in the Office Action.

Accordingly, applicant herewith submits amendments to the claims, which are deemed to conform the terminology into compliance with the requirements of the U.S. claim drafting practice.

The foregoing should clearly enable the Examiner to complete the review with regard to the prior art and to possibly place this application into order for allowance.

In the event that the Examiner has any queries concerning the instantly submitted Amendment, applicant's attorney respectfully requests that he be accorded the courtesy of possibly a telephone conference to discuss any matters in need of attention.

Respectfully submitted,
